James,

First, ~~my~~ congratulations  
on becoming a celebrity as,  
in my opinion, this has  
been your chief motivation.  
I trust that years to come  
may not make you too  
unhappy over the hard  
feelings you have stirred  
up between "your people" and  
their white neighbors.

Secondly, I want to  
commend you on your  
obvious stretching of the  
dollar since you seem to  
live well on no efforts  
on either your part or your

wife. Perfectly amazing - or does  
your child perhaps function  
as the breadwinner.

I understand you own a  
home + 2 cars, dress well, &  
that both of you attend College.  
This is an achievement - If you  
really want to pass the good  
word on to the government, you  
really can do something for  
America.

That \$30,000 from the  
Naacp that you sneer  
about may be peanuts to you  
but as a 45 yr old who  
works, I earn that in  
7 long, hard years -
